FIGUERES –MAÇANET DE CABRENYS

NEWS

The World Cup program is moving forward.

As Nitra tells you about the difficulties of rehabilitating the Salvatella Pipas factory, the organization of the World Cup has decided for a better comfort of the attendees to carry out the events in Figueres --- Girona at 30 Kilometers of Maçanet.

The reasons for the headquarters in Figueres are these:

There are more hotels.

There are better communications, bus, train etc

There are more infrastructures.

The program of activities remains the same.

The place of the events is the "www.elpavolador.com

I'll keep you informed of the details as it comes to fruition.

For a better stay, the organization of the World Cup Pipe Clubs 2017, has decided to move the center of the championship from Maçanet to Figueres (20 klmtrs.) For better comfort of the PIPESMOKERS.

Next month will be available to all the new website, with all details, hotels, etc ...

The smoking tobacco will be DAVIDOFF (ARGENTINA or BRAZIL) THE PIPE Sigmund.

WE WILL INFORM YOU.
